Fiscal Note

The proposed resolution authorizes the agreement for engineering services for the Mendota-Grassman Greenway Flood Mitigation and Restoration Design at a total estimated cost of \$150,493. Funding is provided in the 2020 Adopted Stormwater Utility Capital Budget under Stormwater Quality Systems (12882-84-174-84200). No additional appropriation is required.

Title

Authorizing the Mayor and the City Clerk to execute an agreement with MSA Professional Services, Inc. for engineering services for the Mendota-Grassman Greenway Flood Mitigation and Restoration Design. (19th AD)

Body

PREAMBLE

The City of Madison Engineering Division conducted the Strickers Mendota Watershed Study that identified the Mendota Grassman Greenway as an area that needs conveyance improvements to mitigate flooding of homes. This channel is a highly eroded greenway which also is in need of repairs to control erosion and sediment transfer to Lake Mendota.

The City Engineer has advertised for consultant services for the completion of a comprehensive greenway design and restoration plans that will be used for bidding and constructing the project. Pursuant to City Ordinances and Policies, the City Engineer advertised for consultant proposals, reviewed the submitted proposals, and recommends the engineering contract be awarded to MSA Professional Services, Inc.

NOW THEREFORE BE IT RESOLVED that the Mayor and City Clerk are hereby authorized to execute an agreement with MSA Professional Services, Inc. for engineering services for the Mendota-Grassman Greenway Flood Mitigation and Restoration Design.
