Body

WHEREAS, the Common Council is considering a resolution authorizing, among other things, a gating and ticketing system for purposes of crowd control on and around State Street on November 1-2, 2008, and considering a budget and allocation of costs for the City's law enforcement and other obligations with respect to maintaining order during the Halloween activities that traditionally take place on State Street during the weekend closest to October 31st; and

WHEREAS, Frank Productions, Inc. will again be applying for a Street Use Permit to hold music and entertainment activities in the continuing effort to re-brand the Halloween experience into a safe and positive attraction in downtown Madison; and

WHEREAS, the City again has an interest in gating and ticketing to enhance crowd safety and offset costs associated with the Halloween event, and Frank Productions has an interest in charging a ticket fee for the entertainment; and

WHEREAS, one of the conditions expected in the Street Use Permit to be issued to Frank Productions is that the City and Frank Productions enter into a written agreement to address details of ticket sales and appropriate allocation of ticket revenue and any other fundraising revenue, and to reflect costs of city services associated with the Street Use Permit and the contributions of both parties to the safety and success of the event;

NOW, THEREFORE, BE IT RESOLVED, that subject to both the approval of the Mayor's Office and the issuance of a Street Use Permit to Frank Productions related to the 2008 Halloween event, City Staff are authorized to negotiate and the Mayor and City Clerk are authorized to sign a contract with Frank Productions, Inc. for the above-stated purposes.
