Title

Report and discuss committee member homework:

For City and County:

- Are there 2023 budget and/or policy items within our committee's identified priorities are you already working on, planning to work on, or interested in working on in the process? Are there initiatives being developed that you are aware of which relate to these priorities?
- Are you aware of any emerging issues that you think the committee should consider in discussing the 2023 budgets and making recommendations? (e.g. landscape for reproductive health services has changed with the *Dobbs* decision and there is a need to consider timely and accessible reproductive health education and navigation) which relate to the committees priorities?

For MMSD

- What was funded in the recently passed MMSD Budget that relates to our priority areas? What is the status of spending on ESSER funds? Are Big Ideas projects funded and implemented?
