### Title

Request from Warner Park Cardinals Youth Football Program (Program) for the use of athletic fields at Warner Park as its home field under terms of a fee modification through December 1, 2021.

### Body

Warner Park Cardinals Youth Football Program (Program) is a non-profit formed in 1972 for the purpose of organizing and teaching youth football on the North-side of Madison. It currently oversees football teams and cheerleading squads for 4th through 8th graders. The Program uses athletic fields at Warner Park as its home field. Due to reduced available Program funds and decrease in participation, the Program is in need of a fee modification in order to re-build the team. The Program is a legacy user with mitigating circumstances, which makes it a good candidate for a fee modification. They have been a good partner with the Parks Division. The Program and the Parks Division agree to the attached fee modifications.
