Title

Architectural Engineering Consulting Report on Garver Feed Mill Building Repairs

Body

Facility Engineering, Inc. was retained by the City of Madison in the fall of 2012 to develop an analysis of conditions for the Garver Feed Mill structure located on Atwood Avenue in Madison, WI. The full report is attached to the legislative file. Further information on the Garver Feed Mill study is available at: <http://www.cityofmadison.com/engineering/GarverFeedMill.cfm>
