Fiscal Note

In the adopted 2017 capital budget Engineering Major Streets has budgeted \$500,000 of GO borrowing for the Neighborhood Traffic Management and Pedestrian Improvements capital program (MUNIS 10546). The minor project within that program for traffic calming is funded for the plans in the proposed resolution at multiple locations throughout the city in 2017.

The proposed resolution approves plan documents at an estimated cost of \$310,000 of GO Borrowing within Major Streets authorized budget as well as \$50,000 of budgeted authority within the Metro Transit operating budget.

MUNIS:

11462-402-200 - \$310,000

85100-54425-00000 - \$50,000

Title

Approving plans and specifications and authorizing the Board of Public Works to advertise and receive bids for Local Road Traffic Calming & Arterial Pedestrian Enhancements - 2017. (Various ADs)

Body

PREAMBLE

This project consists of installation of various traffic calming and pedestrian enhancements citywide. Each specific location undergoes evaluation and separate approval processes. Upon approval, this public works contract provides means to construct the approved devices.

BE IT HEREBY RESOLVED:

1. That the plans and specifications for Local Road Traffic Calming & Arterial Pedestrian Enhancements-2016, be and are hereby approved.
2. That the Board of Public Works be and is hereby authorized to advertise and receive bids for the required public works contract.
3. That the Mayor and City Clerk are hereby authorized to accept dedication of lands and/or easements from the Developer/Owner for public improvements located outside of the existing public fee title or easement rights-of-ways.
4. That the Mayor and City Clerk are hereby authorized to enter into an agreement with Don Miller Group to reimburse the City for the costs to install the mid-block pedestrian crossing on Tokay Blvd.
