Fiscal Note

The increase of \$2 per license is anticipated to yield an additional \$18,000 to \$20,000 annually, which will partially offset a proposal by Dane County to increase by \$3 per license its share of total dog license proceeds. An anticipated net loss of \$1 per license, or a total of \$10,000, is included in the General Fund Revenues/Dog Licenses in the 2006 Executive Budget.
