Fiscal Note

This is an extension of a previous agreement and provides for the reimbursement by St. Mary's Hospital of all fixed route and ADA paratransit trips provided by Metro Transit to St. Mary's Hospital employees during the term of the agreement. Two years ago, the contract started in February. This 11-month contract term will allow the contract to be in sync with the calendar year and with future dates for implementation of rate changes. Trips will be billed at rates consistent with the current TPC-approved fare tariff. Revenues are expected to be approximately \$20,000 and will be included in the Transit Utility 2007 operating budget.
