Approving the Community Development Division's HUD-required 2016 Action Plan

### **Body**

#### *Background*

In order for the City of Madison to receive federal funding from HUD, an Action Plan for each year must be submitted. This plan covers the use of federal formula grants awarded to Madison through HUD's Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), and Emergency Solutions Grant (ESG) programs, as well as supplemental funds the City intends to use from state and local sources. The goals and objectives developed for the plan were based on HUD priorities, including housing, economic development and neighborhood revitalization. The City of Madison's Community Development Division will administer the funds.
