Title

Approving plans and specifications and authorizing the Board of Public Works to advertise and receive bids for Repairing and Sealing Pavement Cracks, Major Streets - 2011, Contract No. 6597. (Various ADs)

Body

PREAMBLE

The streets within the City of Madison's infrastructure are a considerable investment. Proper maintenance of pavements helps extend the useful life of a pavement. Pavements left in disrepair deteriorate and require resurfacing sooner than pavements that have preventative maintenance.

The repair and sealing of pavement cracks extends the pavements useful life. Sealing of the cracks helps keep the underlying base dry providing better support for vehicle loading.

NOW THEREFORE BE IT RESOLVED that the plans and specifications for Repairing and Sealing Pavement Cracks, Major Streets - 2011 are hereby approved, and

BE IT FURTHER RESOLVED that the Board of Public Works be and is hereby authorized to advertise and receive bids for said project.
