### Fiscal Note

The proposed resolution authorizes awarding \$1,185,000 of Federal HOME funds, reserving \$1,045,000 in Federal HOME Funds, and awarding \$400,000 in Community Development Block Grant (CDBG) funds for development and capital improvement projects selected by the CDBG Committee following the 2018 RFP process. Sufficient funding for the proposed awards is available through uncommitted HOME and CDBG funds granted in prior years to the City of Madison. No additional appropriation is required.

### Title

Awarding up to \$1,185,000 in Federal HOME funds to Madison Development Corporation and Wisconsin Partnership for Housing Development to help finance the development of affordable housing, and up to \$400,000 in Federal CDBG funds to Irwin A Robert D Goodman Center to support capital improvements, as the recommended outcome of a competitive RFP process conducted by the Community Development Division; and authorizing the Mayor and the City Clerk to enter into agreements with those agencies to implement the specified development projects.

### Body

On August 7, 2018, the Common Council approved RES-18-00621 (Legistar Item #52528), which accepted the Community Development Division's (CDD) "Federal Funds (HOME, CDBG, EECBG) for 2018-2019 Housing Development & Capital Improvement Projects Request for Proposals" (RFP), and authorized the CDD to accept proposals from non-profit organizations in response to that RFP and to formulate recommended funding allocations, for use beginning in 2019, to the Mayor and Common Council.

The adopted 2019 Community Development Division (CDD) Operating Budget includes \$5,270,000 in HOME Investment Partnership Program (HOME) funds, \$800,000 of Community Development Block Grant Program (CDBG) funds, and \$900,000 of Energy Efficiency & Conservation Block Grant Program (EECBG) funds to support development and capital improvement projects, all of which were made available through the RFP process.

CDD released the RFP on August 8, 2018, and accepted applications through September 19, 2018. Six non-profit organizations submitted proposals; two proposals were subsequently withdrawn. At its January 10, 2019 meeting, the CDBG Committee reviewed the proposals and recommended the following:

- Allocate up to \$400,000 of CDBG funds to **Irwin A. and Robert D. Goodman Community Center, Inc.** for capital improvements to expand programming space.
- Allocate up to \$990,000 of HOME funds to **Madison Development Corporation** for new construction of up to 44 new units of multi-family rental housing.
- Allocate up to \$195,000 of HOME funds to **Wisconsin Partnership for Housing Development, Inc.** for acquisition and rehabilitation of single-family homes to support homeownership opportunities for low-/moderate-income (LMI) households.
- Reserve up to \$1,045,000 of HOME funds for **Common Wealth Development, Inc.** until July 1, 2019, for use in developing new affordable rental housing. CDD staff, the CDBG Committee and the Common Council will consider an updated application once Common Wealth Development secures control of a suitable site. Any Committee funding recommendations for CWD's proposal after its review

will be presented to the Council by way of a separate Resolution.

This Resolution is intended to authorize the commitment of Federal funds, to the designated developers and in the amounts specified, for project proposals selected in this year's RFP process. It is also intended to authorize the Mayor and City Clerk to execute loan agreements and other documents necessary to proceed with financial contributions to these projects.
