Fiscal Note

This legislation corrects ordinances to recognize existing practices and regulations. No appropriation is required. There is no anticipated impact upon the General Fund or the tax levy.

Title

Amending Sections 13.12 and 35.02(8)(d) and creating Sections 35.025(5) and 37.05(4)(h) of the Madison General Ordinances to revise the late payment penalty for water and sewer services and to create a late payment penalty for landfill remediation and stormwater services to conform to the Wisconsin Administrative Code.

Body

DRAFTER'S ANALYSIS: The ordinances now provide for a 1.5% per month charge for late water and sewer bills. Pursuant to Public Service Commission regulations, that amount may not exceed 1%. The city has in fact been charging 1%, but the ordinances were never corrected to reflect that fact. This ordinance does so. In addition, this ordinance creates a similar 1% per month late payment penalty for landfill remediation and stormwater services bills.
