### **Fiscal Note**

This agreement would provide the transit system with an additional \$519,555 in MA Waiver (CIP) funding to provide service for people with developmental disabilities in FY08. It will offset approximately 60% of the cost of extra eligible rides provided during the year.

The original contracted amount (RES-07-01121, attached) was \$2,296,406. Metro had included \$2,542,875.00 in the 2008 Operating Budget. This amendment amount along with the original contracted amount will equal the actual total of \$2,815,961.

### **Title**

Authorizing the Mayor and City Clerk to enter into an agreement with Dane County to amend the 2008 contract for the purpose of providing the City with MA Waiver Community Integration Program (CIP), to offset approximately 60% of the cost of eligible paratransit trips provided by Metro Transit in calendar year 2008.

### **Body**

WHEREAS, the Wisconsin Department of Transportation provides Wis. Stats. § 85.21 funding to Dane County for the operation of transit services for persons who are elderly and/or persons with disabilities; and

WHEREAS, each year, Dane County provides the City with a portion of its Wis. Stats. §85.21 allocations to assist the City in the operation of its ADA paratransit services; and

WHEREAS, the State Department of Health Services (DHS) operates the Community Integration Program 1 (CIP 1) and other Medical Assistance (MA) home and community-based waiver programs for people with developmental disabilities; and

WHEREAS, these programs provide coverage for the cost of specialized, accessible transportation services delivered by qualified providers for people enrolled in these programs; and

WHEREAS, DHS contracts with Dane County to operate the CIP 1 and other MA waivers for residents of Dane County and receives reimbursement from the DHS for the federal share (approximately 60%) of costs of accessible transportation services for waiver program participants; and

WHEREAS, Dane County is able to reimburse the City for the federal share of these costs from the funds they receive from DHS because Metro Transit is a qualified provider under the MA Waiver programs;
