Title

Authorizing the execution of an Amendment to Easement pertaining to a Gas Regulator Station Vault and Access Easement from the City to Madison Gas and Electric Company, within a public greenway at 404 Burdette Court.

Body

WHEREAS, the City of Madison and Madison Gas and Electric Company ("MG&E") are parties to a certain Gas Regulator Station Vault and Access Easement, dated March 6, 2008, (the "Easement") allowing MG&E to install a gas regulator vault and related facilities (the "Facilities") in the Easterly 50 feet of the Northerly 30 feet of the Easement, and allows ingress and egress to the Northerly 30 feet of the Easement, all being located within a public greenway at 404 Burdette Court; and

WHEREAS, the Facilities provide for the distribution of natural gas services to MG&E's customers; and

WHEREAS, the Facilities are located within the "Easement Area" more particularly described below and depicted on attached Exhibit A; and

WHEREAS, MG&E has contacted City Engineering staff and requested that two underground gas lines, that lead to the gas regulator station vault, be permitted within the Easement Area previously limited to ingress and egress purposes only; and

WHEREAS, City Engineering staff have reviewed and approve of the placement of the underground gas line facilities within the Easement Area previously limited to ingress and egress purposes only; and

WHEREAS, the Office of Real Estate Services has prepared an Amendment to Easement for such purpose, and MG&E has reviewed and approves of the Amendment.

NOW, THEREFORE, BE IT RESOLVED that the Mayor and the City Clerk are hereby authorized to execute an Amendment to Easement pertaining to the existing Gas Regulator Station Vault and Access Easement, dated March 6, 2008 (the "Easement"), from the City of Madison to Madison Gas and Electric Company ("MG&E"), which Amendment to Easement shall be on the following terms and conditions:

1. The Easement shall be amended to provide that MG&E be permitted to install two underground gas line facilities (the "Additional Facilities") within the Easement Area previously limited to ingress and egress purposes only, as depicted on attached Exhibit A.
2. The Additional Facilities will be installed over an existing City Engineering storm sewer pipe, and MG&E shall be responsible for any additional costs incurred by the City for future maintenance of said storm sewer pipe, due to the location of said Additional Facilities.
3. All other provisions of the Easement shall apply to the Additional Facilities and shall remain in full force and effect.

Description of the Additional MG&E Underground Gas Line Easement Area
