Fiscal Note

FISCAL NOTE PENDING

Although the creation of this committee has no direct fiscal impact, the adopted 2017 Capital Budget for the Planning Division includes a \$150,000 transfer from the General Fund for the Historic Preservation Plan (Project # 10064). The adopted 2016 Capital Budget accounts for a direct appropriation of \$100,000 carried over from 2015. Although some background work for this project occurred in 2016, there were no expenditures and that amount was carried over into 2017, resulting in a total of \$250,000 being available for this project in 2017.
