Fiscal Note

Establishments operating as Adult Entertainment stores must obtain a \$600 permit from the City Clerk. There are currently three permitted establishments; this Ordinance may result in an increase in the number of establishments for which a permit is required, therefore resulting in a modest increase in General Fund revenues.

Title

Amending Sections 9.05(1) and 28.03(2) of the Madison General Ordinances to modify the definitions of "adult book or video store" to include reference to sexual paraphernalia and devices.

Body

DRAFTER'S ANALYSIS: Under current ordinances, an establishment must devote ten percent (10%) or more of its floor space to the sale of adult materials before it is required to obtain an adult entertainment establishment license, or be subject to the zoning rules for an adult entertainment establishment. Adult materials under current law are limited to books, films, magazines, and other visual matters. This amendment adds physical devices and paraphernalia to the definition of adult materials. Thus, in calculating whether the ten percent (10%) threshold is met under this amendment, additional adult materials would be covered in the calculation, meaning more stores may qualify as adult entertainment establishments.

The Common Council of the City of Madison do hereby ordain as follows:

1. Subsection (1) entitled "Definitions" of Section 9.05 entitled "Adult Entertainment Establishments and Adult Entertainment Taverns" of the Madison General Ordinances is amended by amending therein the following:
