Fiscal Note

Up to 80% of the total project cost of \$1,196,525 is funded by USDOT/FTA with the remaining 20% to be funded with general obligation debt. Funding is included in the 2008 Transit Division capital budget. Any costs associated with the 13(c) agreement are included in the Transit Division operating budget. The City is covered under its current insurance policies. Therefore, the resolution will not result in increased premiums at this point and has no impact on cost controls.
