Fiscal Note

This is a continuation of a previous agreement that provides for the reimbursement by St. Mary's Hospital of all fixed route and ADA paratransit trips provided by Metro Transit to St. Mary's Hospital employees and volunteers during the term of the agreement. Trips will be billed at rate consistent with the current TPC-approved fare tariff. The 2009 per trip rate is \$0.952. The estimated revenues for the 2008 agreement are \$34,000 and are included in the Metro Transit 2009 operating budget. If, however, the Transit and Parking Commission approves a rate increase effective in 2009, the per trip rate in this contract will increase to \$1.10 during the last six months of 2009, resulting in estimated additional Metro Transit fare revenues of \$2,643.
