This amount is available in the 2009 Public Health Operating Budget. Annualized additional expenses for 2010 are estimated at \$97,739. This is comprised of \$77,658 to increase pay rates, and \$20,081 to increase work hours from the current 2015 per year to a new total of 2080 hours per year. This amount would have to be included in the 2010 Operating Budget.
