### Fiscal Note

There is no net cost to the City. The University of Wisconsin will, at its expense, install fiber-optic strands, after which the City will assume ownership. This will provide expanded fiber optic capacity for both the University and the City, but no City appropriation is required.

### Body

WHEREAS, the UW desires to transmit information on City fiber-optic strands between their campus and Meriter sites in and near Madison; and

WHEREAS, the City and UW have an existing agreement for UW rental of City fiber-optic strands; and

NOW, THEREFORE BE IT RESOLVED, that the Mayor and other City officials are authorized to sign an amendment to the existing agreement with the UW Board of Regents for the use of City fiber-optic communication strands.
