The Fire Hazardous Materials Team has a 1982 Eagle bus in need of replacement. Fleet Services has approximately \$108,000 to replace the bus. The bid specifications will include a trade-in of the bus that was purchased from State contract funds. The plan is to replace the bus with a trailer and tow vehicle. The estimated purchase price range is \$350,000 - \$375,000 before the trade-in allowance. Current funds from the State Regional Hazardous Materials Contract can cover up to \$250,000 over the \$108,000 in Fleet Services budget. It is requested that the current budget in SO29 be amended to allow \$250,000 to be used to supplement the Fleet Services amount for this purchase. Funds should be transferred to SO29-58610-722230.

WHEREAS, the City and Fire Department wishes to continue to be Regional Hazardous Materials Response Team for the State of Wisconsin.
