Fiscal Note

This TIF Plan amendment would authorize \$4,114,000 of additional TIF capital expenditures and related financing costs not anticipated in the original TID #23 plan adopted in 1994. This increase adjusts plan expenditures to actual costs incurred through 2009 and provides authorization for additional TIF financed infrastructure improvements approved in the 2010 Adopted Capital Budget. Specific amounts are detailed in the plan amendment document.

Title

SUBSTITUTE RESOLUTION Approving a Project Plan Amendment for Tax Incremental District (TIF) #23 (Capitol Square Revitalization) City of Madison and authorizing the use of the "Half-Mile Rule" as provided for in State of Wisconsin TIF Law.

Body

WHEREAS Chapter 105 of the Laws of 1975 of the State of Wisconsin created the Tax Increment Law, Section 66.1105, Wisconsin Statutes; and

WHEREAS said Law sets forth certain steps which must be followed to amend a Tax Incremental Finance District and approve a Project Plan; and

WHEREAS Tax Incremental District #23 is described below; and

WHEREAS a Notice of Public Hearing by the Plan Commission to afford interested parties an opportunity to express their views on the amendment of the Project Plan for Tax Incremental District #23 was published in the Wisconsin State Journal on October 30 and November 6, 2009 as required by said Law; and

WHEREAS prior to publication of the Notice of Public Hearing a copy of the Notice was sent by first-class mail to each of the chief executive officers or administrators of all local governmental entities having the power to levy taxes on property within Tax Incremental District #23; and

WHEREAS the Plan Commission of the City of Madison held a public hearing on November 16, 2009, at which interested parties were afforded an opportunity to express their views on the amended Project Plan for Tax Incremental District #23; and

WHEREAS the Plan Commission has determined that this District meets the basic requirements of City TIF Policy for tax incremental district proposals adopted by the Common Council on April 17, 2001 and amended on March 31, 2009 (insofar as they are applicable to the amendment of a project plan), conforms to the Comprehensive Plan for the City of Madison and is consistent with the review criteria adopted at the same time, specifically that the District supports economic development activities intended to stabilize and diversify the City's economic base; and

WHEREAS the proposed amendment to the Tax Incremental District #23 Project Plan will increase the amount of total TID expenditures in the project plan to provide for certain infrastructure projects to be completed while also addressing an increase in total project costs to date, and

WHEREAS the Board of Estimates recognizes that tax increments resulting from unanticipated value growth in TID #23 may pay for \$2,001,000 of specific 2010 Capital Costs and \$5,769,000 of project costs yet to be determined, currently identified as "Other Capital Costs-TBD" on pages 11, 12 and 15 of the TID #23 Amended Project Plan; and

WHEREAS the Board of Estimates hereby deletes the expenditure of \$5,769,000 Other Capital Costs on pages 11, 12 and 15 of the TID #23 Amended Project Plan; and

WHEREAS any future expenditures of said \$5,769,000 of deleted costs shall require the authorization of the Common Council and the TIF Joint Review Board.

NOW THEREFORE BE IT RESOLVED that the Project Plan for Tax Incremental District #23 (Capitol Square Revitalization), City of Madison, is hereby amended as of January 1, 2010, and that the boundaries for said District, which remain unchanged, are as below-described and as described in the amended Project Plan,

BE IT FURTHER RESOLVED that the expenditure of \$5,769,000 Other Capital Costs on pages 11, 12 and 15 of the TID #23 Amended Project Plan is hereby deleted.

BE IT FURTHER RESOLVED that any future expenditures of said \$5,769,000 of deleted costs shall require the authorization of the Common Council and the TIF Joint Review Board.

BE IT FURTHER RESOLVED that the Common Council of the City of Madison has established that an extraterritorial expenditure as set forth in TIF Law ("Half Mile Rule") is necessary, appropriate and practicable.

BE IT STILL FURTHER RESOLVED that the attached amended Project Plan for Tax Incremental District #23 (Capitol Square Revitalization), City of Madison, is hereby adopted as the Project Plan for said District and such plan is feasible and in conformity with the Master Plan and the Economic Development Plan for the City of Madison and will add to the sound growth of the City.
