Title

Amending Section 24.04(3) of the Madison General Ordinances to create two new sound amplification permit areas, authorize the Park Commission to establish sound amplification permit fees, and clarify the application process for sound amplification permits.

Body

DRAFTER'S ANALYSIS: Under Sec. 24.04, the Parks Division issues amplification permits for designated spaces in the State Street area, allowing the permit holder to use amplification equipment to amplify sound. The permit also serves as a reservation of the space for a specific period of time as set forth in the ordinance. This amendment creates two new permitted sound amplification areas downtown and establishes the times during which they are available: one at Rotary Centennial Park which will be reservable from 12:00 to 1:00 p.m. and 5:00 to 7:00 p.m. Sundays through Fridays, from 9:30 to 11:00 a.m., 11:30 to 1:00 p.m., and 5:00 to 7:00 p.m. on Saturdays. The other new space is at Peace Park, reservable from 12:00 to 1:00 p.m. and 5:00 to 7:00 p.m. daily. This ordinance also clarifies that the sound amplification permit fees and associated electrical use fees are established by the Park Commission, adds a reference to filing applications on the city website, and makes editorial changes throughout Sec. 24.04(3) to clarify the application process.

The Common Council of the City of Madison do hereby ordain as follows:

Subsection (3) entitled "Sound Amplification" of Section 24.04 entitled "Prohibition of Noises Disturbing the Public Peace" of the Madison General Ordinances is amended to read as follows:

"(3) Sound Amplification.
