Fiscal Note

The City has received a State grant of \$1 million for Brownfields Remediation. The 2011 adopted City operating budget authorizes expenditures of up to \$500,000 in 2011 from the Brownfields Remediation Revolving Loan Fund, of which \$425,000 was recently authorized for expenditure in conjunction with the development of the Royster Clark property (Leg. #22135, RES-11-00453, adopted 5-17-11). Therefore, in order to expend an additional \$250,000 in Brownfields grant funds as proposed in this Resolution, an amendment to increase to \$675,000 the total authorized expenditures from the Brownfields Remediation Revolving Loan fund is required. No additional appropriation is required and there is no impact on the City levy.
