WHEREAS, the Center provides social, educational, recreational, and cultural programming for the east side community with a small paid staff and 250 volunteers; and,

WHEREAS, EMCC continues to grow in response to what is important to families on Madison's east side; and,

WHEREAS, by providing support and technical assistance, EMCC plays a crucial role in helping residents connect with resources necessary to help enhance the quality of life for individuals as well as the community in general; and,

WHEREAS, EMCC's Educational Enrichment Center building expansion in 1997 added vital new space and services for children and adults, the Preschool Enrichment Program, computer lab, family resource services and other program opportunities and expanded again in 2008 to provide space for a full-sized gym, multipurpose room, kitchen, fitness room and handball courts,
