No appropriation is required.

Title

Supporting the application by the Natural Heritage Land Trust for a Stewardship grant to purchase the Wheeler Triangle.

Body

WHEREAS, the Natural Heritage Land Trust is applying for a state Stewardship habitat grant to acquire the parcel at Wheeler Road and Comanche Way in Madison known as the Wheeler Triangle; and

WHEREAS, the Land Trust intends to donate the property to the City of Madison without cost; and

WHEREAS, this is a valuable habitat site in the midst of an extensive complex of Cherokee Marsh natural areas owned and managed by the City of Madison, Dane County and the state Department of Natural Resources; and

WHEREAS, the parcel is adjacent to the City of Madison’s Cherokee Marsh Conservation Park and lies partially within a designated environmental corridor; and

WHEREAS, with public ownership and management, the land can provide high quality upland habitat for the adjacent wetlands; and

WHEREAS, preserving upland at Cherokee Marsh protects and improves water quality and habitat in the

adjacent wetlands, the Yahara River and its downstream lakes; and

WHEREAS , a restored and managed buffer will reduce storm water runoff into the wetlands and help temper the flood events that in recent years have damaged and destroyed high quality shoreline wetlands on the upper Yahara; and

WHEREAS, the Friends of Cherokee Marsh and the Northside Planning Council both support the grant application;

NOW, THEREFORE, BE IT RESOLVED that the Madison Common Council supports this Natural Heritage Land Trust application.
