Fiscal Note

The addition of a new staff person to address issues relating to Housing policies is included in the proposed 2012 operating budget of the CDA Redevelopment Agency. The estimated cost of the position is \$85,500 (\$60,000 in salary expense; \$25,500 for benefits). The position is supported with CDA-related revenues; there is no net effect on the levy.

It is unclear whether an assessment of affordable and accessible housing needs can be completed utilizing existing staff resources, or whether a consultant may be required to undertake a study. A comprehensive study performed by a consultant may cost in the range of \$50,000 to \$150,000, depending on the scope of the study. Such funding is not currently included in the City budget.
