Title

Approving Facade Improvement Grant to 1843 Monroe Street (Brocach Irish Pub).

Body

On February 3, 2004, the Common Council adopted Resolution ID # 61179, approving the Facade Improvement Grant Program to support and encourage small local businesses to reinvest in the downtown and smaller, neighborhood shopping and business areas and designating the Community Development Authority as the agent of the City for the operation and administration of the Program. The grants are matching grants and will be provided in an amount up to 50% of the total project costs up to a maximum of \$10,000 for a single facade, \$20,000 for a building with two facades, and \$25,000 for a "flatiron" building. The objective of the Program is to restore, or substantially beautify, or enhance the entire facade or elevation of a commercial building. The Facade Improvement Grant Program Staff Team has reviewed the following Façade Improvement proposal and determined that it meets the requirements of the Program.
