Title

Amending Secs. 34.02(1)(a), (2)(d)2.a., (2)(d)3., creating Sec. 34.02(2)(d)8. and renumbering and amending Sec. 34.02(2)(d)9. of the Madison General Ordinances to establish fees for incomplete plan submittals and private fire service hydrants and to raise the fee for fire alarm control unit and create a fee for plan reviews not mentioned within the section.

Body

DRAFTER'S ANALYSIS: This ordinance changes the title to include fire protection and other safety features. This ordinance adds a specific list of systems and devices that are covered under the ordinance to insure proper coverage. This ordinance raises the fee for fire alarm control unit plan review from \$100 to \$200. This ordinance establishes a fee of \$100 for any plan reviews for alterations of systems that are not specifically listed within the ordinance. This ordinance establishes a new fee of \$200 for plan review of private fire service mains and hydrants. This ordinance creates an additional fee of \$100 for incomplete plan submittals placed on hold. This ordinance requires that a flat fee of \$200 be assessed for revisions to previously approved plans. In the past this fee was either \$200 or 50% of the original fee, whichever was higher.

The Common Council of the City of Madison do hereby ordain as follows:

1. The title of Section 34.02 entitled "Design and Construction, Reviews, Approvals and Permits" of the Madison General Ordinance is amended to read as follows:

"34.02 DESIGN AND CONSTRUCTION REVIEWS, APPROVALS AND PERMITS FOR FIRE PROTECTION

AND OTHER SAFETY FEATURES.”

2. Subdivision (a) of Subsection (1) entitled “Application for Permit, Plans and Specifications” of Section 34.02 entitled “Design and Construction Reviews, Approvals and Permits” of the Madison General Ordinances is amended to read as follows:

“(a) No person may install, erect or construct or add to, enlarge, move, improve, alter, convert, extend replace components, or demolish or cause the same to be done, or commence any work covered by this code on any fire protection system, device or structure any access control, delayed egress, stair door locking system or device, or LPG containers, high-piled storage arrays, flammable and combustible liquid storage arrangements, including any system subject to plan review under Wis. Admin. Code ch. Comm 61, without first submitting plans for review and approval to the Chief and obtaining a fire department work permit. This requirement is irrespective of whether such person intends to submit such plans to any other lawful approving authority. Permits shall be issued in the name of the owner or owner’s agent. The Chief by special permission may authorize work to start prior to compliance with this subsection.”

3. Subparagraph a. of Paragraph 2. entitled “Alteration/Modifications and Repair/Replacement to Existing Devices/Systems” of Subdivision (d) entitled “Fee Schedule” of Subsection (2) entitled “Fees” of Section 34.02 entitled “Design and Construction Reviews, Approvals and Permits” of the Madison General Ordinances is amended to read as follows:

“a. The fee for review of submittals or review of plans for the alteration/modification to existing devices/systems shall be determined by Table B for each type of alteration/modification submitted.
