Title

CAPITAL BUDGET AMENDMENT # 9 - Fleet Service / No. 5 Facility Relocation; Streets Division / No. 1 Vehicle Maintenance and Storage Facilities, p. 94, 106

Body

Municipal facilities, especially those for vehicle maintenance, must be carefully located to avoid curtailing potential economic development and creating negative environmental impacts. No expenditures shall occur for the new maintenance facility (Streets Project #1 and Fleet Project #5) without a site selection and planning review process, with the recommendation to be approved by the Common Council.
