### Title

Report: Wisconsin Chapter of the American Society of Landscape Architects Spring Conference 2012 (March 29 & March 30, 2012) - Ald. Paul Skidmore, District 9

### Body

The Wisconsin Chapter American Society of Landscape Architects (WI ASLA) is the professional society that represents the landscape architecture profession in Wisconsin. Their members typically include licensed landscape architects, allied professionals and students in Wisconsin.

Their mission aligns with the National ASLA. The purpose of the Wisconsin Chapter of the American Society of Landscape Architects "shall be the advancement of education and skill in the art and science of landscape architecture and the promotion of the profession of landscape architecture as an instrument of service in the public welfare. To this end the Chapter shall seek to effectuate within the Chapter territory the aims and policies of the American Society of Landscape Architects, Inc." They offer their members the opportunity to network, build business, and expand their professional knowledge and expertise. The Chapter also promotes the discipline of landscape architecture and advocates policy positions that advance sustainable, appropriate, and environmentally friendly practices.

The 2012 WI ASLA Spring Conference theme was in keeping with the ASLA: "Your Environment. Designed" Sessions focused on the various aspects confronting landscape architect's in today's arena.
