DRAFTER'S ANALYSIS: This proposal amends the Secondhand Goods ordinance to create an exemption from the precious metals license requirements for a coin show sponsored by a bona fide nonprofit club that has been in existence at least 5 years. The show must have been held in Madison on at least an annual basis for at least 5 years prior to January 1, 2012, the show must consist of at least 15 exhibitors, exhibitors must purchase exhibit space or an entrance fee must be charged and no jewelry may be purchased from members of the public.
