Fiscal Note

Metro Transit estimates that the total additional cost for the Low-Income Bus Pass expansion by 150 monthly passes is \$45,750 for 2013, assuming the expansion is implemented in March, 2013. This estimate is predicated on the fact that an Adult 31-day monthly pass currently costs \$58/month, or \$30.50 more per month than each Low-Income monthly pass, which costs \$27.50. 150 monthly passes costing \$30.50 each totals \$4,575 per month, or a total 2013 cost difference of \$45,750, assuming 10 months of service in 2013. The current, uncommitted balance of the Contingent Reserve is \$1,138,660; this Resolution will commit an additional \$45,750 from the Contingent Reserve
