Title

Approving plans and specifications and authorizing the Board of Public Works to advertise and receive bids for Chip Sealing 2013 - East

Body

BE IT RESOLVED,

The roadways within the City of Madison's infrastructure are a considerable investment. Proper maintenance of pavements helps extend the useful life of a pavement. Pavements left in disrepair deteriorate and require resurfacing sooner than pavements, which have preventative maintenance.

Chip Sealing extends the pavements useful life. Chip Sealing helps keep the underlying base dry providing better support for vehicle loading.

NOW THEREFORE BE IT RESOLVED that the plans and specifications for Chip Sealing 2013 East are hereby approved, and

BE IT FURTHER RESOLVED that the Board of Public Works be and is hereby authorized to advertise and receive bids for said project.

BE IT FURTHER RESOLVED that the Mayor and City Clerk are hereby authorized to advertise and receive bids for said project.
