Title

Creating Section 28.022 -- 00037 of the Madison General Ordinances rezoning property from PD (Planned Development) District to UMX (Urban Mixed Use) District.
6th Aldermanic District; 414 East Wilson Street.

Body

DRAFTER'S ANALYSIS: The subject property is developed with a five-story mixed-use building with a bar on the ground floor and residential units above. On September 5, 2000, PUD-GDP-SIP zoning was approved for a building addition on this property, but has since lapsed due to lack of implementation. This map correction will provide the property with conforming zoning commensurate with surrounding uses. No redevelopment is proposed.

The Common Council of the City of Madison do hereby ordain as follows:

Map Amendment 00037 of Section 28.022 of the Madison General Ordinances is hereby created to read as follows:
