The Common Council of the City of Madison do hereby ordain as follows:

EDITOR'S NOTE:

Section 7.01(1)(a) currently reads as follows:

"(a) Pest Management Advisory Committee. The Pest Management Advisory Committee is a subcommittee of the Board of Health for Madison and Dane County. It consists of five experts who review annual pesticide use reports, assess compliance with the policy and recommend changes in pest management as needed. The experts are recommended by the Public Health Department and appointed by the Mayor's office. Each member is confirmed by the Common Council and will serve a seven-year term. Terms shall be staggered among the members so that only two members' terms will expire in one (1) year. This committee will be staffed by the Public Health Department."
