Title

Creating Section 28.022 -- 00117 of the Madison General Ordinances to adopt a Campus-Institutional (CI) District Master Plan for Edgewood College, Edgewood High School and Edgewood Campus School, generally addressed as 2219 Monroe Street and 829-1000 Edgewood College Drive, 13th Aldermanic District, as an integral part of the Zoning Code.

Body

DRAFTER'S ANALYSIS: The Campus-Institutional (CI) district in the new Zoning Code was created to provide a zoning district for the City's major educational and medical institutions, many of which were identified on the Generalized Future Land Use Maps in the Comprehensive Plan in either the Campus or Special Institutional districts. Edgewood, which includes Edgewood College, Edgewood High School and Edgewood Campus School, has submitted a campus master plan for approval to guide the future growth of the "Edgewood Campus" in coming years.

WHEREAS Campus-Institutional (CI) District was established to recognize the City's major educational and medical institutions as important activity centers and traffic generators, accommodate the growth and development needs of these institutions, and coordinate the master plans of these institutions with the City's plans, policies and zoning standards, and

WHEREAS Section 28.097(2) of the Zoning Code requires that any Campus Institutional District created after the effective date of this ordinance submit a Campus Master Plan, which shall be approved as part of a map

amendment, and in the absence of said Plan, individual development proposals and changes that exceed 4,000 square feet in gross floor area within any 5-year period shall require conditional use approval, and

WHEREAS Edgewood College, Edgewood High School and Edgewood Campus School have submitted a Campus Master Plan to provide a regulatory framework for the combined Edgewood Campus and guide its future growth in coming years following approval by the Common Council following a recommendation by the Plan Commission,
