**Body**

The City of Madison has worked closely with a group of community-based non-profit agencies that provide services and housing to homeless persons and those at risk of becoming homeless. This cooperation involves city sponsorship and administration of an annual application to the State of Wisconsin for federal and state funds for various projects.

The Division of Housing determines awards based on a formula using data from monthly homeless census as well as poverty, unemployment and population data. Dane County is allocated \$437,305. Following the notice of award, the CD Division will enter into contracts with the participating non-profits with activities provided from July 1, 2014 through June 30, 2015.

The application is comprised of five initiatives: 1) homeless prevention, 2) street outreach, 3) rapid re-housing, 4) emergency shelter, and 5) transitional housing programs. A minimum of 30% of the grant must be spent on rapid re-housing activities in Dane County; rapid re-housing activities are those that move homeless persons from the street or emergency shelter in as short a time as possible thereby minimizing their time homeless.

A small portion of funds included in the application, are designated to partially fund HMIS activities. The City and Dane County agencies participate in entering client-level data into Wisconsin ServicePoint (WISP) which is administered through contracts between each of the state's CoCs and the Institute for Community Alliances (ICA). ICA is a non-profit that serves as the lead HMIS administrator for CoC's in Iowa, Illinois and Wisconsin.

In addition to the ICA project identified above, there are 17 unique projects operated by 12 agencies included in the City's application for ETH funding. These agencies include: Community Action Coalition for South Central Wisconsin, Inc.; Dane County Parent Council, Inc.; Institute for Community Alliances; Legal Action of Wisconsin, Inc. Porchlight, Inc.; The Road Home Dane County, Inc.; The Salvation Army of Dane County; Stoughton United Ministries, Tellurian UCAN, Inc.; Tenant Resource Center, Inc.; YWCA of Madison, Inc.; and Youth Services of Southern Wisconsin, Inc.
