Title

Authorizing the acceptance of an Offer to Sell Real Estate Agreement for the purchase of property located at 6503 Cottage Grove Road, Madison, Wisconsin.

Body

The City of Madison has received an Offer to Sell Real Estate (the "Offer") from James R. Kern the "Owner" of the property located at 6503 Cottage Grove Road (the "Real Estate"). The Real Estate is located in the southeast quadrant of the Cottage Grove Road/Sprecher Road intersection. Cottage Grove Road is tentatively scheduled to be reconstructed by the City in 2018. While the City will use its best efforts to avoid or minimize the impacts of the reconstruction project on the Real Estate some challenges with access and construction would remain given the proximity of the house located on the Real Estate to the project. While an acquisition of the Real Estate may not be absolutely necessary for the project, City Engineering feels that there are safety and construction benefits associated with the acquisition. Acquisition will allow the removal all

driveway access at the intersection and enable the City to grade onto the Real Estate. The small house on the Real Estate would be razed. The Owner has stated that the scheduled project is impacting his ability to sell the Real Estate. To this end he made the City the Offer to sell the Real Estate. City Engineering is recommending that the City accepts the Offer.

NOW, THEREFORE, BE IT RESOLVED that the Common Council of the City of Madison hereby authorizes the acceptance of an Offer to Sell Real Estate (the "Offer") between the City (the "Buyer") and James R. Kern (the "Seller") for the purchase of a property owned by the Seller located at 6503 Cottage Grove Road, Madison, Wisconsin (the "Real Estate"), legally described in Exhibit A below and depicted on the attached Exhibit B, on the following terms and conditions:

1. Description. The Buyer shall purchase and the Seller shall sell and convey by Warranty Deed fee simple interest of the Real Estate including all improvements and fixtures located thereon and all appurtenances thereto.

As used herein, the term "fixture" shall be defined as follows:

A fixture is an item of property which is physically attached to or so closely associated with land or buildings so as to be treated as part of the Real Estate, including, without limitation, physically attached items not easily removable without damage to the premises, items specifically adapted to the premises, and items customarily treated as fixtures including but not limited to all: garden bulbs; plants; shrubs and trees; screen and storm doors and windows; electric lighting fixtures; window shades; curtain and traverse rods; blinds and shutters; central heating and cooling units and attached equipment; water heaters and softeners; sump pumps; attached or fitted floor coverings; awnings; attached antennas, satellite dishes, and component parts; garage door openers and remote controls; installed security systems; central vacuum systems, and accessories; in-ground sprinkler systems, and component parts; built-in appliances; ceiling fans; fences; storage buildings on permanent foundations, and docks/piers on permanent foundations.

Notwithstanding the foregoing, the Seller shall have the right to remove the following fixtures: the Montigo gas fire place, the laundry sink, the forced air furnace, the central air conditioner, the water softener, the well pressure tank and the wooden fence along County Trunk Highway BB. The removal of said fixtures shall be at the Seller's expense and shall occur prior to Closing. The Seller shall ensure that all utilities to the fixtures shall be shut off prior to removal and that the Real Estate shall be left in a safe condition upon removal of the fixtures.

2. Effective Date. The "Effective Date" shall be the later date of execution of the Offer by the Buyer or the Seller, as indicated on the signature page.
3. Purchase Price. The total purchase price of the Seller's interest in the Real Estate shall be One Hundred Fifty Thousand Dollars (\$150,000), payable in cash at closing, subject to the adjustments and prorations herein provided.
4. Limited Representations and Warranties; AS-IS Condition. Except as otherwise provided herein, the Buyer shall purchase the Real Estate in "AS-IS, WHERE-IS" condition and "with all faults," and shall agree that it relied upon no warranties, representations or statements by the Seller, its agents or employees, in entering into the Offer or in closing the transaction described herein. Except as provided below, the Buyer's closing on the acquisition of the Real Estate shall constitute conclusive evidence that the Buyer is satisfied with the condition of and title to the Real Estate and has waived or satisfied the Buyer's Contingencies, as described in Paragraph 5 below.
5. Buyer Contingencies. The Buyer shall have ninety days (90) days from the Effective Date (the "Buyer's Contingency Period") to satisfy or waive the following contingencies (the "Buyer's Contingencies") or to

otherwise terminate the Offer if any of the Buyer's Contingencies are unacceptable, in the Buyer's sole discretion.

- a. Inspections and Testing. The Buyer obtaining various inspections and testing of the Real Estate and any improvements located thereon. The Buyer, at its sole expense, may obtain an inspection of any buildings and related improvements located on the Real Estate, a Phase 1 or 2 environmental site assessment of the Real Estate and related testing, soils testing and any other inspections or testing deemed necessary by the Buyer. - b. Appraisal. The Buyer obtaining, at its sole cost, an appraisal that supports the Purchase Price.

The Buyer's Contingency Period may be extended for an additional thirty (30) days by written notice from the Buyer to the Seller delivered prior to the expiration of the Buyer's Contingency Period.

6. Access to Property. The Buyer and the Buyer's authorized agents, engineers, consultants, appraisers, and contractors shall be permitted access to the Real Estate for the purpose of conducting the inspections and testing anticipated by the Buyer's Contingencies including, but not limited to, a Phase 1 or 2 environmental assessment of the Real Estate and/or a physical inspection of the Real Estate and any building and related improvements located on the Real Estate at reasonable times with at least twenty-four (24) hour notice to the Seller. The Buyer's access to, and inspection of, the Real Estate shall be at Buyer's sole risk and expense and Seller shall have no responsibility therefor. The Buyer will repair, at the Buyer's cost, all damages caused by its inspections or testing so that the condition of the Real Estate is returned to as good or better condition as existed prior to the inspections or testing.
7. Title Insurance. The Seller shall provide to the Buyer at the Seller's expense at least ten (10) business days prior to closing a commitment from a title insurance company licensed in Wisconsin to issue title insurance in the amount of the total purchase price upon the recording of proper documents, together with a gap endorsement. The commitment shall show title to the Real Estate, as of a date no more than fifteen (15) days before such title proof is provided to the Buyer, to be in the condition called for in the Offer, subject only to liens which will be paid out of the proceeds of the closing and to any standard title insurance exceptions acceptable to the Buyer. The Buyer shall notify the Seller of any valid objection to title, in writing, prior to closing. The Seller shall have a reasonable time, but not exceeding fifteen (15) days, to remove the objections, and closing shall be extended as necessary for this purpose. Should the Seller be unable or unwilling to carry out the Offer by reason of a valid legal defect in title which the Buyer is unwilling to waive, the Offer shall be void.
8. Condition of Property. The Seller represents and warrants to the Buyer that as of the date of the Offer the Seller has no notice or knowledge of conditions affecting the Real Estate or transaction such as:
