Fiscal Note

The Resolution will amend the 2014 adopted capital budget of the Planning and Community and Economic Development agency (PCED) to create a new capital project, "Owl's Creek Subdivision," Account No. 810804, and to appropriate ~~\$550,000~~ \$580,000 from the City's General Land Acquisition fund to support the land acquisition expenses (including purchase and closing costs). The current available balance of the General Land Acquisition fund is an estimated \$1.8 million. (A pending Resolution, Legistar #34536, proposes an additional expenditure of \$469,000 from the General Land Acquisition fund). The budget will be amended as follows:

CD21-58110-810804	\$550,000 <u>\$580,000</u>	Land Acquisition
CD21-79442-810804	(\$550,000) <u>(\$580,000)</u>	Transfer In from Land Fund
CL21-57442-810347	\$550,000 <u>\$580,000</u>	Transfer Out to Land
CL21-78320-810347	(\$550,000) <u>(\$580,000)</u>	Land Sales

Future property sale proceeds will be credited to the General Land Acquisition fund or as otherwise directed by the Common Council.

It should be noted that the Resolution and budget amendment will provide for the City's property acquisition, but left unaddressed are the City's future holding and maintenance expenses following the acquisition, and which City agency will oversee administration of the property. It is conceivable that the City will own the property in full or in part for quite some time and will incur ongoing costs for upkeep, at a minimum. The holding and maintenance costs are currently unknown. In general, property holding and maintenance expenses are appropriately treated as operating expenses and should be addressed as such. A future budget amendment will likely be necessary to appropriate funds for ongoing property maintenance and holding expenses.

Title

SUBSTITUTE Authorizing the execution of a Purchase and Sale Agreement between the City of Madison and AnchorBank FSB for the purchase of 48 51 lots and 1 outlot in the Owl's Creek Subdivision and amending the 2014 Capital Budget to provide funding for the acquisition.

Body

The Common Council enacted Resolution RES-13-00858 which directed the Office of Real Estate Services, the Planning Division, the Community Development Authority and the Community Development Division to research the housing and neighborhood conditions in the Owl's Creek Subdivision and issue a report to the Mayor and Common Council describing these conditions and recommending actions that can be take to mitigate the challenges that are currently found in this neighborhood. A group with representatives from each of the agencies set forth above, as well as the leaders of the Owl's Creek Neighborhood Resource Team, (collectively, the "Owl's Creek Staff Team") met on multiple occasions to assess the challenges faced by the neighborhood.

As part of its work, the Owl's Creek Staff Team researched property ownership in the Owl's Creek Subdivision and found that 48 lots and 1 out lot (collectively, the "Property") were in one ownership and were being foreclosed on by Dane County for back taxes. The Property represents more than one half of the lots in the Owl's Creek Subdivision. The Owl Creek Staff Team recognized that ownership of the Property would provide the City with the opportunity to have a significant impact on the timing and quality of the development in the Owl's Creek neighborhood. This impact will extend beyond the boundaries of the Owl's Creek Subdivision to the other area neighborhoods.

A Sheriff's Sale for the Property was held on April 8, 2014. AnchorBank FSB was the successful bidder at the Sheriff's Sale for the Property. AnchorBank FSB is awaiting confirmation of the Sheriff's Sale at which time it will own the Property and be able to sell it to the City. A Letter of Intent containing the terms and conditions of a Purchase and Sale Agreement (the "PSA") has been negotiated and executed between the City and AnchorBank FSB for the purchase of the Property. Adoption of this resolution will authorize the execution of the PSA and amend the 2014 Capital Budget to provide funds for the acquisition.

NOW, THEREFORE, BE IT RESOLVED that the Common Council of the City of Madison hereby authorizes the execution of a Purchase and Sale Agreement (the "Agreement") between the City (the "Buyer") and AnchorBank FSB (the "Seller") for the purchase of 48 51 lots and 1 outlot owned by the Seller within the Owl's Creek Subdivision, Madison, Wisconsin (the "Property"), legally described in Exhibit A and depicted on Exhibit B, for the stabilization of the Owl's Creek neighborhood, on the following terms and conditions:
