WHEREAS, on August 7, 1997 the Olbrich Botanical Society acquired the Garver Feed Mill property. The acquisition was meant for the expansion of the Olbrich Botanical Gardens. WHEREAS, on June 5, 2007, the Council enacted RES-07-00595 (File ID No. 06115), authorizing the issuance of a request for proposals based upon the criteria developed by the Committee; and,

WHEREAS, on June 17, 2008 the Council enacted RES-08-00623 (File ID No. 09785), accepting the proposal of Common Wealth Development for the redevelopment of the Garver Feed Mill property and directing staff to negotiate a development agreement with Common Wealth Development; and,

WHEREAS, on April 7, 2009, a referendum passed that allowed Common Wealth Development to redevelop the Garver Feed Mill property pursuant to the requirements of Madison General Ordinances Sec. 8.35 (Shoreline Preservation Ordinance); and,

WHEREAS, on May 31, 2011 Common Wealth Development informed the City that it was withdrawing its proposal for the redevelopment of the Garver Feed Mill property; and,

WHEREAS, on May 9, 2014, the Mayor made new appointments to the Committee to reinitiate the disposal of surplus property procedures for the Garver Feed Mill property pursuant to Sec. 8.075; and,

WHEREAS, the reformed Committee, having conducted a public hearing and having held numerous meetings, recommends the issuance of the attached RFP, subject to the approval by the Common Council and appropriate referral committees, including the Board of Park Commissioners.
