The development proposal for this site is related to a request made by the same applicant to rezone 126 South Carroll Street to allow an existing parking ramp at to be demolished and a mixed-use building with 7,500 square feet of commercial space, 96 apartments and 550 underground parking stalls to be constructed. Note: The underground parking in the two proposals will be connected under the South Carroll Street right of way, which will require separate approval by the Common Council of a lease for those purposes.
