Fiscal Note

In 2014, there will a relatively small increase in the Traffic Engineering wage and benefit expense, but this can be accommodated within the existing TE appropriations, so no additional appropriation is required. The longer-term, future annualized additional expense (at Step 5) is \$5,925 for wage expense, plus \$1,185 in fringe benefits, or a total additional expense of \$7,110, which will need to be included in future Traffic Engineering operating budgets, subject to Common Council approval.
