Title

Authorizing the Mayor and the City Clerk to enter into a Memorandum of Agreement (MOA) with the Board of Regents of the University of Wisconsin for the purpose of continuing to promote drinking water research that will help improve water quality, protect the public health, and improve system operations and efficiency.

Body

WHEREAS, Madison Water Utility is tasked with the responsibility of efficiently and reliably providing safe drinking water to the citizens of the City of Madison; and

WHEREAS, Madison Water Utility has conducted research on water quality, distribution system operation, pumping efficiency, and system modeling with the UW Department of Civil and Environmental Engineering since 2002 and wishes to continue that relationship; and

WHEREAS, Madison Water Utility is constantly looking for and evaluating ways to optimize system operations, improve system efficiency, maintain and improve the existing high quality of water, and protect the public

health; and

WHEREAS, The graduate program in the Department of Civil and Environmental Engineering at the University of Wisconsin-Madison provides an excellent resource in drinking water research that Madison Water Utility wishes to continue to support and utilize;

NOW, THEREFORE, BE IT RESOLVED that the Common Council of the City of Madison authorizes the Mayor and City Clerk to execute a Memorandum of Agreement with the Board of Regents of the University of Wisconsin for the purpose of promoting drinking water research to improve the water quality within the Madison water system, protect the public health, and improve system operations.

BE IT FURTHER RESOLVED that progress reports of on-going research shall be shared with the Madison Water Utility Board and that final reports of the findings from research projects carried out under this agreement shall be delivered in the form of a Master's thesis to the Utility.
