Body

PREAMBLE

The City is proposing to reconstruct Buckeye Road (Monona Dr to Stoughton Rd) in 2019. The City applied for Federal Funds in the Surface Transportation Program Fund and the project received approval for 50%

Federal funding of Construction.

The City of Madison and Dane County are all participating in the design and shall cost share the design engineering contract.

The project will be constructed under a contract let by the Wisconsin Department of Transportation (WisDOT) and a project Agreement with WisDOT will be required for funding, oversight and construction. The proposed project is planned for construction in the year 2019.

The City of Madison and WisDOT propose to enter into a agreement for construction and cost sharing of the proposed project. The basis for cost sharing participation is as follows:

- 1) Design Engineering: All design-engineering costs necessitated by the street reconstruction are 100% Local Funding.
- 2) Local Utilities: The City shall pay for 100% of the cost of installing or adjusting new water and sanitary sewer mains. The City assumes full responsibility for the design, installation, testing and operation of the sanitary sewer and water system. Each affected local municipality shall pay for 100% of the costs for installing or adjusting new or existing local utilities.
- 3) Street Improvements: WisDOT shall pay 50% of the costs for pavement, concrete curb and gutter, storm sewer, street lights, traffic signals, drive aprons, base material, sidewalk as needed, terrace restoration and all other necessary street improvements for completion of the project, through administration of Federal funding.

The agreement with the State of Wisconsin Department of Transportation for construction cost sharing defines the terms under which the City is awarded Federal funds and the agreement requires that the City indemnify the State of Wisconsin Department of Transportation. City APM 1-1 requires Common Council Approval whenever the City indemnifies another party.

The proposed indemnification language has been reviewed by the City's Risk Manager. The City's risk exposure is increased by this clause, but the exposure is covered by the City's insurance policies, subject to their terms and conditions.
