### Title

Amending the Streets Division's 2015 Operating Budget to include funds for the recycling of mattresses and box springs. And authorizing a contract with Bay Area Recycling for Charities for the balance of 2015.

### Body

WHEREAS The Streets Division can restart the mattress and box spring recycling program which was suspended in 2014 by working with Bay Area Recycling for Charities (BARC) or a not for profit corporation located in Traverse City MI: and

WHEREAS The mattress and box spring recycling program had been funded by a user fee which caused hardship for many Madison residents. The user fee caused many low income residents to place mattresses and box springs at the curb without the required fee stickers. These mattresses and box springs would remain at the curb for two weeks until the next large item collection which gave areas with apartments a neglected appearance: and

WHEREAS These unstickered items were a significant administrative burden for the Streets Division as it attempted to collect the user fees from property owners:and

WHEREAS The City of Madison has a goal of providing more equitable services for its residents and funding this program from the general fund instead of user fees would be in keeping with that goal:

NOW THEREFORE BE IT RESOLVED That the 2015 Streets Operating Budget be amended to transfer \$15,000 from 44110-54240-0000 (Landfill Fees) to 44111-54215-0000 (Large Item Disposal) and that \$75,000 be transferred from the City's Contingent Reserve to 44110-54215-000

AND BE IT FURTHER RESOLVED That the Mayor and City Clerk are authorized to enter into a contract with Bay Area Recycling for Charities to recycle mattresses and box springs through December 31, 2015.
