Body

PREAMBLE

The City of Madison and Wisconsin Department of Transportation entered into an agreement authorized by Resolution File ID 33793, RES-14-00352 for the design and construction of the Milwaukee Street Bridge and Milwaukee Street & Fair Oaks Intersection.

The Common Council approved plans and specifications for the Milwaukee Street Bridge and Milwaukee Street & Fair Oaks intersection on January 6, 2015, ID 36371, RES-15-00003.

The bridge is in very poor condition and requires complete removal and replacement.

The bridge reconstruction is funded with both federal (80%) and City (20%) funds. The intersection reconstruction and utility work is funded 100% by the City.

The Wisconsin Department of Transportation received three bids on the proposed public works contract. The project came in over estimate and additional federal and City funds are required.
