Fiscal Note

Fiscal note pending. The proposed resolution authorizes a land sale between the Community Development Authority (CDA) and Parks Department for lots that will be converted into a new park in the Allied Drive neighborhood. The lots being sold through this transaction were initially sold to the CDA from the City as part of a land transaction in 2008. To date, the City has not received repayment from the CDA for the outstanding debt. If adopted, the proposed resolution will forgive the outstanding debt owed to the City from the CDA. The outstanding debt will be repaid through future increment in TIF District 29.

The proposed resolution also amends the 2016 Adopted Capital Budget to appropriate \$357,000 from the Citywide Parkland Impact Fee acquisition funds for the land purchase. CDA Redevelopment will use the

proceeds from the land transaction to support affordable housing initiatives in the Allied Drive area. The 2016 Adopted Capital Budget includes \$6.0 million within the Community Development Division budget for citywide affordable housing efforts, a portion of these funds were intended for use in the Allied Drive neighborhood. Upon adoption of this resolution and the land transaction, those funds will be applied towards other affordable housing projects.
