Title

Amending Section 33.24(15)(e)3 of the Madison General Ordinances to eliminate the footnote relating to the setbacks from East Washington and other East-West streets.

Body

DRAFTER'S ANALYSIS: Staff recently noticed that a footnote in the minimum & maximum setback requirement for East-West streets was internally inconsistent because for some blocks footnote 4 sets a different setback requirement than the corresponding column. For example, on Block 2.b. the column requires a 15 foot setback while the footnote would allow a 5-20 foot setback. Since the Minimum & Maximum Setback East-West Streets column already specifies which blocks require the 5-20 foot setback and which require the 15 foot setback, the footnote is unnecessary. Therefore, this amendment will eliminate footnote 4.

The Common Council of the City of Madison do hereby ordain as follows:
