Title

Declaring the City of Madison's ongoing commitment and increased efforts to make voter registration maximally accessible, convenient and modern.

Body

WHEREAS, the right to vote in free, fair, accessible, and open elections is one of our most fundamental rights; and

WHEREAS, the greatest barrier to free, fair, accessible and open elections is our nation's ramshackle voter registration system; and

WHEREAS, voter registration laws in our country are undeniably rooted in a history of efforts to obstruct voter participation from minorities, women, poor people and foreign born citizens; and

WHEREAS, some states are adopting voter modernization laws to simplify access and increase voter participation in an effort to overcome that history and eliminate obstacles to accessing this fundamental right; and

WHEREAS, in the most recent state legislative session, Wisconsin's current legislators and Governor passed and signed into law a prohibition of the successful practice of manual voter registration drives within the community by Special Registration Deputies; and

WHEREAS, manual voter registration is still a crucial part of our electoral process in Wisconsin; and

WHEREAS, proof of residence is required when registering to vote in Wisconsin; and

WHEREAS, only documents specifically allowed by State Statute may be used as proof of residence; and

WHEREAS, government documents are accepted forms of proof of residence; and

WHEREAS, in February 2012, 35 City of Madison residents were unable to register and vote on Election Day because they did not present an accepted form of proof of residence at the polls; and

WHEREAS, in April 2012, 51 City of Madison residents were unable to register and vote on Election Day because they did not present an accepted form of proof of residence at the polls; and

WHEREAS, in May 2012, 130 City of Madison residents were unable to register and vote on Election Day because they did not present an accepted form of proof of residence at the polls; and

WHEREAS, in June 2012, 239 City of Madison residents were unable to register and vote on Election Day because they did not present an accepted form of proof of residence at the polls; and

WHEREAS, in August 2012, 14 City of Madison residents were unable to register and vote on Election Day because they did not present an accepted form of proof of residence at the polls; and

WHEREAS, in November 2012, 164 City of Madison residents were unable to register and vote on Election Day because they did not present an accepted form of proof of residence at the polls; and

WHEREAS, in February 2013, 14 City of Madison residents were unable to register and vote on Election Day because they did not present an accepted form of proof of residence at the polls; and

WHEREAS, in April 2013, 19 City of Madison residents were unable to register and vote on Election Day because they did not present an accepted form of proof of residence at the polls; and

WHEREAS, in April 2014, 50 City of Madison residents were unable to register and vote on Election Day because they did not present an accepted form of proof of residence at the polls; and

WHEREAS, in August 2014, 39 City of Madison residents were unable to register and vote on Election Day because they did not present an accepted form of proof of residence at the polls; and

WHEREAS, in November 2014, 157 City of Madison residents were unable to register and vote on Election Day because they did not present an accepted form of proof of residence at the polls; and

WHEREAS, in February 2015, 14 City of Madison residents were unable to register and vote on Election Day because they did not present an accepted form of proof of residence at the polls; and

WHEREAS, in April 2015, 28 City of Madison residents were unable to register and vote on Election Day because they did not present an accepted form of proof of residence at the polls; and

WHEREAS, in April 2016, 99 City of Madison residents were unable to register and vote on Election Day because they did not present an accepted form of proof of residence at the polls; and

WHEREAS, Wisconsin's insidious body of voter registration laws demonstrate a commitment to moving our state backwards to more closely reflect an unethical legacy of voter registration suppression which is not reflective of Wisconsin's civic values;

NOW, THEREFORE, BE IT RESOLVED that the City of Madison seeks to further make voter registration maximally accessible, convenient and modern; and

BE IT FURTHER RESOLVED that the Common Council establishes that the City of Madison shall offer voter registration at all city offices in accordance with State Statute 6.28(1); and

BE IT FURTHER RESOLVED that the City Clerk's Office shall provide voter registration training and voter registration forms to all city offices; and

BE IT FINALLY RESOLVED that each time a resident visits a city office and presents government documents that are accepted forms of proof of residence, city staff shall present the resident with the opportunity to register to vote.
